Subject: OAR slide deck updates
Attachments: OG Stakeholder Script 4-4-18.docx

OAR Communications is asking for a quick review of the attached slide deck. The presentation is only a few weeks old so, hopefully, the changes are minimal. They asked us for input by COB today. Please review O&G slides (6-7). On slide 6, I added "over 450,000" – let me know any edits.
